

Dear Sir/Madam

We are sending this letter to you in order to request that our property \_\_\_\_\_, be advertised using **qp**alert.co.uk. This service will broadcast our property using SMS text alerts to those who have signed up to the service to receive messages about properties that match our properties criteria. We understand that this service is the future in UK property sales and would like to benefit from the added exposure this will give us for our sale. Other properties similar to ours are currently being advertised using this service and we do not want to miss out on this.

Regards,
